The invitation expires on {Invite.Expiration}.

Please note that the submission deadline for submissions for MICCAI2020 has been pushed back to 17th March to accommodate researchers who have been impacted by the COVID-19 outbreak. This meant that it was necessary to reorganize the reviewing schedule. You can find the modified schedule and a google calendar for Reviewers here:

<https://miccai2020.org/en/IMPORTANT-DATES-FOR-REVIEWER-DUTIES.html>

Please accept our invitation only if you are available during these periods.

Once you have accepted the invitation, please complete your Reviewer profile before Feb 28, 2020:

1. Select Subject Areas in your Microsoft Conference Management Toolkit (CMT) Account.
2. Enter Domain Conflicts in your CMT account.
3. Update your Toronto Paper Matching System (TPMS) profile by uploading 5 or more of your recent publications relevant to MICCAI. You have the option to remove any papers that are no longer relevant.

Important

1. The login email addresses of your CMT account and your TPMS account **must match**. If you have multiple CMT accounts, make sure the one with Meta-Reviewer credential match that of your TPMS account. If not, please contact submission platform manager Kitty Wong (submission_support@miccai2020.org)

2. If you are new to CMT and TPMS and need help navigating both sites, please see:

Please make sure your mailbox does not filter emails sent from CMT as SPAM. All future instructions will also be posted on the conference website:

Thank you very much for your help in this important task!

With best wishes,
